WORK EXPERIENCE

Leadily

May 2025 – Jun. 2026

Full Stack Developer

Delhi, India

- Built user-facing web dashboards using React and JavaScript, improving UI responsiveness and state management across core features.
- Designed and connected REST APIs to handle user authentication, dynamic data fetching, and fast database queries.
- Maintained codebase quality using Git workflows, participating in active code reviews, feature testing, and bug fixing.

WTS Global

Mar. 2024 – Jul. 2024

Software Developer Intern

Remote

- Created modular frontend UI components and linked them to Node.js backend services for client-facing web tools.
- Contributed to MERN stack application updates, fixing layout bugs and streamlining API data flows across components.
- Conducted cross-browser testing and optimized database query handling to boost page loading speed.

RELEVANT PROJECTS

E-Commerce Website

<https://e-commerce-site-zniw.onrender.com/login>

Full Stack Developer | React, Node.js, Express.js, MongoDB

Personal Project

- Built a full-stack online store with user authentication, product search filters, cart persistence, and checkout processing.
- Configured secure JWT auth and created custom REST API routes backed by MongoDB for inventory and user management.

Job Search Portal

<https://job-portal-api-ryhe.onrender.com/jobs>

Full Stack Developer | React, Node.js, Express.js, MongoDB

Personal Project

- Developed a job web portal with separate spaces for recruiters to post openings and candidates to submit applications.
- Implemented backend API endpoints in Express to manage candidate filtering, status updates, and database operations.

Portfolio Website

<https://portfolio-7b1r.onrender.com>

Frontend Developer | React, Tailwind CSS, JavaScript

Personal Project

- Built a responsive developer portfolio highlighting projects, technical skills, and internship experience with smooth UI styling.
- Integrated interactive components and responsive layouts optimized for mobile and desktop viewports.

EDUCATION

Netaji Subhas University of Technology (NSUT)

May 2026

B.Tech – Instrumentation & Control Engineering

Delhi, India
